BBA(IS) 5 Advanced standing may be granted to candidates in recognition of studies completed successfully, in accordance with UG 2 of the Regulations for First Degree Curricula. The maximum number of advanced standing credits that may be granted is up to one-half the number of credits required for the award of the degree. Advanced standing credits granted shall not be included in the calculation of the Semester, Year or Cumulative GPA nor taken into consideration for the honours classification of the degree to be awarded.

Exemption

BBA(IS) 6 Candidates may be exempted, with or without special conditions attached, from any of the requirements in the syllabuses by the Board of Studies. Candidates who are so exempted must replace the number of exempted credits with courses of the same credit value.

Selection of courses

BBA(IS) 7 Candidates shall select courses in accordance with these regulations and the manner/order specified in the syllabuses before the beginning of each semester. Changes to the selection of courses may be made during an add-drop period designated for each semester, and such changes shall not be reflected in the transcript of the candidates. Requests for changes after the designated add-drop period of a semester shall not be considered, and candidates withdrawing from any course without permission after the designated add-drop period of a semester shall be given an F grade.

BBA(IS) 8 Candidates shall not be permitted to select a course for which the failed course forms a prerequisite unless permission is given by the department concerned to sit a qualifying examination in the failed course and satisfy the examiners in this.

Assessment

BBA(IS) 9

- (a) Candidates shall be assessed for each of the courses for which they have registered, and assessment may be conducted in any one or any combination of the following manners: written examinations or tests, continuous assessment of performance, laboratory work, field work, research or project reports, or in any other manner as specified in the syllabuses.
 - (b) There shall be no appeal against the results of examinations and all other forms of assessment in accordance with UG 7(e) of the Regulations for First Degree Curricula.
-

Grades

BBA(IS) 10 Grades shall be awarded in accordance with UG 8 of the Regulations for First Degree Curricula.

BBA(IS) 11 Candidates shall not be permitted to repeat courses for which they have received a pass grade for the purpose of upgrading.

Candidates who are unable, because of illness or other acceptable reason, to be present at any examinations of a course, may apply for permission to present themselves for a supplementary examination to be held not later than the beginning of the first semester of the following academic year. Failure to attend the supplementary examination as arranged shall automatically result in course failure. Any supplementary examination shall be part of that academic year's examinations, and the provisions made in the regulations for failure at the first attempt shall apply accordingly.

Failure in assessment

BBA(IS) 13 Candidates are required to make up for a failed course in the following manner:

- (a) undergoing re-assessment/re-examination in the failed course to be held no later than the end of the following semester (not including the summer semester); or
- (b) re-submitting failed coursework, without having to repeat the same course of instruction; or
- (c) repeating the failed course by undergoing instruction and satisfying the assessments; or

BBA(IS) 14 The maximum number of attempts for a particular course or requirement is three.
